

Power Up Value

Nice

Linear 661 *Smart Garage Door Opener*

Backed by over 60 years of pioneering experience

The Nice Linear 661 Garage Door Opener marks the first in a series of smart, Nice openers that combine sleek industrial design at an incredible value. With features such as Wi-Fi™ and smartphone connectivity, pre-installed battery and more, the 661 offers an easier installation process resulting in fewer service calls and increased revenue.

The 661 is an evolution of the Linear brand as innovation from Nice, that creates a smart, convenient, and value-driven choice.

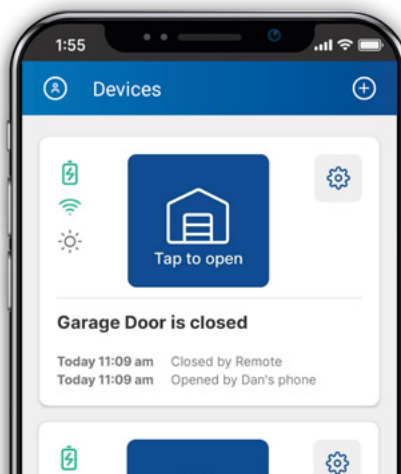

New!
Nice G.O. App

Easy to use, customer friendly

Operates residential sectional doors up to 8 ft high & 350 lbs

*Includes
Wi-Fi
Connected
Wall Station*

Nice

Linear 661 Smart Garage Door Opener

Welcome to the New Generation of Smart and Simple.

Turn any garage into a **smart garage** with the Nice Linear 661 and its pairing with the Nice G.O. app, where homeowners can have convenience and peace of mind at their fingertips.

FEATURES

Wi-Fi Connected Wall Station

Provides auto firmware updates over cloud and simplified pairing with Bluetooth, leading to fewer service requirements.

Integrated Battery

Compliant with CA SB-969 regulations. Reduce installation time with pre-wired and installed battery. Provides confidence to home owners that operation will continue during power outages. *(Duration of operation varies based on door weight and frequency of use over 3-day period).*

Energy Efficient LED Lighting

Reduce services calls with integrated, energy efficient and environmentally friendly LED lighting.

Interchangeable Chain/Belt Drive System

With the option of chain or belt drive, there is less inventory to carry and can reduce overhead costs.

Easy Door Release

Release the opener's quick-disconnect trolley to open or close the garage door manually.

Self Diagnostic System

Provides real-time alerts and homeowner updates through courtesy lights and sounds, ensuring faster troubleshooting for continued operation.
